

AFA Detroit Diesel® Series 60 & Navistar DT466/I530 Fuel Regulator Valves

We are pleased to announce the availability of a two new FUEL REGULATOR VALVES for the DETROIT DIESEL® SERIES 60® and NAVISTAR® DT466/I530 engines.

Part number D23516993 is available and in stock now for the DETROIT DIESEL® SERIES 60® engines.

Part number N1825511C1 is available and in stock now for the 2000 - 2003 NAVISTAR® DT466 & I530 engines.

AFA's specialized manufacturing and packaging capabilities enable us to produce many user-friendly kits. As with all of our products, our use of the highest quality materials and state-of-the-art manufacturing processes have made us a leading producer of gaskets and seals in the commercial vehicle engine parts business. Combined with our staff of engineers, technical product and customer service personnel, you can depend on us for all your commercial vehicle engine parts needs.

AFA Industries has a complete offering of engine parts for Caterpillar®, Cummins®, Detroit Diesel® & Navistar® engines to rebuild most everything on the engine. Also available are In-Frame and Complete Overhaul engine kits, Cylinder, Cooling System, Valve Train and Fuel System Components, Water and Oil Pumps, as well as many other engine parts to enable you to repair most of these manufacturer's engines.

Consult your OE reference materials for exact applications.
Refer to the OEM service manual for proper engine assembly procedures.
Contact your local sales representative or AFA Certified Distributor for more information.
